

# GOVERNANCE, RISK & COMPLIANCE (GRC)

*Most breaches don't happen because of cyber wizardry—they happen because lax security controls and poor processes leave the front door wide open for widely-available exploits. Whether you are required to conduct assessments by law or regulation, or seeking to do your own due diligence, MAD Security is the answer to your GRC needs.*

## WE ARE THE LEADERS IN THE INDUSTRY AT PROVIDING THE FOLLOWING SERVICES:

- CISO Consulting
- Policy Review
- Security Governance
- Enterprise Risk Assessments
- GRC and Auditor Training
- HIPAA/HITECH
- FISMA
- ISO 27001/2
- SSAE-16/SOC-2
